*Marionette Joyce*  
**APPROVED**  
*June 1, 2002*

Sir:

This petition is submitted pursuant to 37 C.F.R. § 1.183 in order to correct the name of the Assignee on the face of U.S. Patent No. 6,331,415 (U.S. Patent Application No. 07/205,419), as requested in the Request for Certificate of Correction under 37 C.F.R. § 1.323 filed herewith.

Specifically, the Applicant identified an error on the face of the above-identified U.S. Patent incurred through the fault of the Applicant. The Patent incorrectly lists only Genentech, Inc. as assignee. The Assignment recorded on June 16, 1983 (parent of presently captioned application, U.S. Patent Application Serial No. 06/483,457, now U.S. Patent No. 4,816,567) lists Genentech, Inc. and City of Hope as assignees.

As required, the following are submitted concurrently with this Petition:

- petition fee set forth in 37 C.F.R. § 1.117(h);
- the correct names and addresses of the Assignees, as set forth below:

Genentech, Inc.  
460 Point San Bruno Blvd.  
South San Francisco, CA 94080

and

City of Hope  
1450 East Duarte Road  
Duarte, CA 91010;

and

- a copy of the Notice of Recordation and Assignment providing proof that both Genentech, Inc. and City of Hope are assignees for the captioned patent, and that this assignment was recorded on Reel 004148 and on Frame 0827 on June 16, 1983.

Accordingly, Petitioners submit that they have complied with the requirements of 37 C.F.R. § 1.183, and request that the Assignee be corrected on the face of U.S. Patent No. 6,331,415 B1.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
